## Book File Details:

*Review: To limit Dale Ray Phillips by calling him a Southern Regionalist author would be sinful, but if you have ever longed to know what the insiders perspective looks like then read these stories. The collection is not about the South, though, its about ordinary people living ordinary lives trying to make sense of the world around them. The stories are...*

*Description: These award-winning stories introduce a heartbreaking and hilarious new voice in Southern American fiction. When I was thirty-five and freshly separated and still a stouthearted pilgrim to myself, I took a job on the Gulf Coast swindling people. I sold fake trailer lot deeds to investors with souls more crooked than my own. This is the voice of Richard,...*
